

PERSONAL INFORMATION

DOTT. MAURIZIO LOSITO

WORK EXPERIENCE

Cardiology Consultant

October 2021-through now	A.S.S.T. Santi Paolo e Carlo – Ospedale San Paolo di Milano Cardiology Unit - Cardiac Intensive Care Unit Ambulatory Unit of Echocardiography and Cardiopulmonary Exercise Test Chief: Prof. Marco Guazzi
Dicember 2019- September 2021	A.S.S.T. Rhodense - Ospedale di Garbagnate Milanese Cardiology Unit - Cardiac Intensive Care Unit Ambulatory Unit of Echocardiography and Exercise Test Chief: Dr. Fabio Locati
January 2017-November 2019	I.R.C.C.S. Policlinico San Donato Department of University Cardiology – Heart Failure Unit Ambulatory Unit of Cardiopulmonary Exercise Test Combined With Exercise Stress Echocardiography Chief: Prof. Marco Guazzi

EDUCATION

Postgraduate School

Resident from July 2012
through July 2016

Università degli Studi di Siena, Policlinico Santa Maria alle Scotte
Specialization School for Master Degree in Cardiovascular Diseases,
Votation 70/70 et laude
Thesis Title: Left atrial function and electrophysiological remodeling of atrial myocytes in patients undergoing surgical correction for degenerative mitral regurgitation
Thesis Advisor: Prof. Sergio Mondillo

Graduate: M.D. Degree June 24th, 2011

Student from 2005 through
2011

Università degli Studi di Siena, Policlinico Santa Maria alle Scotte
Faculty of Medicine and Surgery
Votation 110/110 et laude
Thesis Title: Right Ventricular Strain and Right Ventricular Stroke Work Index in patients with end-stage Heart Failure candidate for Heart Transplantation
Thesis Advisor: Prof. S. Mondillo

High School Diploma

Liceo Scientifico E. Mayorana, Rutigliano, Bari
Student from 1999 through 2004
Votation 100/100

TRAININGS AND SKILLS ACQUIRED

14 November 2015

Certification in "Three-dimensional TEE acquisition and analysis 3D TEE Advanced Training", Leiden University Medical Center, The Netherlands

2 September 2015

Certification in Adult Transthoracic Echocardiography, European Association of Cardiovascular Imaging

July 2011

"Professional Exchange Programme of the International Federation of Medical Students' Association" in the Department of Cardiology, Leiden University Medical Center (The Netherlands), under the supervision of Dr. V. Delgado and Dr. N. A. Marsan.

July 2012 –

TTE and TEE evaluations in patients undergoing cardiac surgery
TTE and TEE evaluations of patients with LVAD
Dipyridamole and Dobutamine Stress Echocardiography
Exercise testing
Holter-ECG
General cardiologic examinations
Management of patients with acute and chronic heart failure
Management of patients referred for heart transplantation and LVAD implantation.
Performing guard duty in the ward, sub-intensive and intensive care unit (ICU).
University Cardiologic Department, Chief Prof. Sergio Mondillo, and the Division of Hospital Cardiology Chief Dr. Roberto Favilli, Policlinico Santa Maria alle Scotte, Siena.

Sept. 2014 – Dec. 2014

TTE and TEE evaluations of patients undergoing transcatheter procedures of TAVI, MITRA-Clip, LAA closure, ASD/PFO closure with Philips and GE Echocardiographic machines.
Attendance in Cathlab during 2D and 3D-TEE monitoring in percutaneous interventions.
Performance TTE and TEE in patients with cardiomyopathies.
Performance TTE for CRT optimization.
Ospedale San Raffaele, Milan (Italy); Responsibles Echolab: Dott. Eustachio Agricola and Dott. Michele Oppizzi; Chief Interventional Cardiology: Prof. Antonio Colombo; Chief Cardiology Department: Prof. Alberto Margonato.

January 2015 – March 2015

Performing and reporting diagnostic coronary angiography
Second operator during percutaneous coronary angioplasty, ventriculography, aortography, renal artery angiography, right cardiac catheterization, EMB, IABP placement.
Attendance during TAVI procedures, aortic balloon valvuloplasty and PFO/ASD closure.
Department of Interventional Cardiology, Chief Dr. Carlo Pierli, Policlinico Santa Maria alle Scotte, Siena.

April 2015 - June 2015

TTE evaluation in Neonatal Intensive Care Unit, Pediatric Cardiology Department and follow-up of Congenital Heart Disease
General cardiac examinations and ECG reports of Pediatric patients
Pediatric Cardiology, Chiefs Dr. Carlo Pierli and Dr. Roberto Favilli, Policlinico Santa Maria alle Scotte, Siena.

Oct 2015 – Dec 2015

Performing electronic controls and reprogramming of PM, ICD and CRT/D device.
Second operator during procedures for replacement of generator PM/ICD and implantation of permanent PM or PM transient transvenous Right Cardiac Catheterizations.
Attendance during electrophysiological studies and catheter ablation procedures of AVN, atrial fibrillation, atrial flutter, atrial tachycardia, PSVT and ventricular tachycardias.
Electrophysiology and Electrostimulation Department Chief Dr. Roberto Favilli, Policlinico Santa Maria alle Scotte, Siena.

Jan 2016 – May 2016

Practice in the Intensive Care Unit: management of patients with acute heart failure and acute myocardial infarction with their complications, patients undergoing TAVI, patients with valvular heart diseases, patients with atrial and ventricular arrhythmias, arrhythmic storm also in patients with ICD, managements of intubated and sedated patients, management of IABP, mechanical ventilators; practical use of procedures of ultrafiltration, CVVH and CVVH – DF; positioning of central venous catheters (femoral, jugular and subclavian); tutored performing thoracentesis; participation in the implementation of sub - xiphoid percutaneous pericardiocentesis; performing arterial punctures for EGA .
ICU, UOC Hospital Cardiology, Chief Dott . Roberto Favilli, Policlinico Santa Maria alle Scotte,Siena

2014

Achievement suitability of specialized English for schools of medical specialization

PERSONAL SKILLS

Mother tongue(s) Italian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	Good	Good	Good	Good	Good
	B2 level				
French	Basic	Basic	Basic	Basic	Basic
	Middle School level				

Other Experiences Basketball Player from 6 years old

Driving licence B

ADDITIONAL INFORMATION

Membership

- ESC (European Society of Cardiology)
- EACVI (European Association of Cardiovascular Imaging)
- SIC (Società Italiana di Cardiologia)
- SIEC (Italian Society of Cardiovascular Echography)

Publications

1. "Correlation of Left Atrial Strain and Doppler Measurements with Invasive Measurement of Left Ventricular End-Diastolic Pressure in Patients Stratified for Different Values of Ejection Fraction". Cameli M, Sparla S, Losito M, Righini FM, Menci D, Lisi M, D'Ascenzi F, Focardi M, Favilli R, Pierli C, Fineschi M, Mondillo S.
2. "Longitudinal Strain Stress-Echo Evaluation of Aged Marginal Donor Hearts: Feasibility in the Adonhers Project". Cameli M, Bombardini T, Dokollari A, Sassi CG, Losito M, Sparla S, Lisi G, Bernazzali S, Davoli G, Capannini G, Andriani S, Martinelli R, Diciolla F, Mondillo S, Maccherini M.
3. "Left Atrial Dynamics During Exercise in Mitral Regurgitation of Primary and Secondary Origin: Pathophysiological Insights by Exercise Echocardiography Combined With Gas Exchange Analysis". Sugimoto T, Bandera F, Generati G, Alfonzetti E, Barletta M, Losito M, Labate V, Rovida M, Caracciolo M, Pappone C, Ciconte G, Guazzi M.
4. "Revisiting and Implementing the Weber and Ventilatory Functional Classifications in Heart Failure by Cardiopulmonary Imaging Phenotyping". Marco Guazzi, Barry Borlaug, Marco Metra, Maurizio Losito, Francesco Bandera, Eleonora Alfonzetti, Sara Boveri, Tadafumi Sugimoto.
